Description of Services

The Office of Arts and Culture enhances the quality of life, the economy, and the design of the city through the arts. The role of the arts in all aspects of life in Boston is reinforced via equitable access to arts and culture in every community, its public institutions, and public places. Key areas of work include support to the cultural sector through grants and programs such as the Artist Resource Desk, Open Studios, and the Poet Laureate; as well as the production and permitting of art in public places via exhibitions, temporary installations, the stewardship of the City's collection of permanent sculpture, memorials and monuments, and the management of the Strand Theatre. The mission is articulated in a cultural plan for Boston and is carried out via the implementation of this plan which will foster further investment in the arts community, deepen intergovernmental collaborations, and address cultural facility development and the support of cultural districts.

External Funds Projects

Boston Public Library Affiliates

Project Mission

Represents funding received through the Library's fundraising partners, including the Fund for the Boston Public Library, the Associates of the Boston Public Library, the Boston Public Library's City-wide Friends group, and Boston Public Library branch Friends' groups.

InterLibrary Loan Grant

Project Mission

Interlibrary loan (ILL) is a service through which a user of one library can borrow materials or receive electronic copies of documents (usually journal or magazine articles) that are owned by another library. Massachusetts Library System contracts with the Boston Public Library to supply copies of documents electronically to all Massachusetts Library System members. These documents come either from the Boston Public Library's own collection or BPL's ILL staff will locate and request documents from libraries around the world. BPL is uniquely suited to provide documents to the state because of BPL's large and diverse collection that is second in size only to the Library of Congress.

Library for the Commonwealth

Project Mission

The Library for the Commonwealth (LFC) provides reference and research services for all residents of the Commonwealth of Massachusetts at the Boston Public Library through developing, maintaining, and preserving comprehensive collections to supplement library resources available throughout Massachusetts. The Massachusetts Board of Library Commissioners provides this appropriation for the BPL to support personnel, purchase materials, digitize content, and develop a digital repository. The appropriation is calculated on a statewide per capita basis and distributed annually.

Other sources

Project Mission

Represents revenue from private events, royalties, commissions, pay for print, etc.

State Aid To Libraries

Project Mission

The Library Incentive Grant/Municipal Equalization Grant is annually granted by the Commonwealth of Massachusetts Board of Library Commissioners to the Trustees of the Boston Public Library. The Library is required to meet certain minimum standards of free public service established by the Board to receive the grant. Four important measures are used to determine eligibility: the Municipal Appropriation Requirement (MAR), the percent of the total budget spent on library materials, the hours of operation, and the ability to lend books to other libraries in the Commonwealth.

Trust funds and other donations

Project Mission

Represents gifts received from individuals, corporations, and other private donors. Donations made via trusts are held in accordance with the intention of the donor, and the principle is invested in securities that generate an annual income. This income is used to purchase library materials, support specific library positions, and enhance library programming.
