Re: Case #156—Dispatch Procedures
911 Operations Center

Dear Interim Deputy Director Sabir,

I am writing in response to the Civilian Review Board's decision in the above referenced matter regarding dispatch procedures and the allegation that a Boston Police Department dispatcher failed to provide his name upon request.

As previously provided, the 911 Operations Center is a civilian staffed division and therefore falls outside of OPAT's mandate regarding Boston police officer conduct. Notwithstanding, the recommended review of Rule 324 has been noted and will be addressed by the Rules Committee in the near future.

Please do not hesitate to contact me if you have any questions or would like to discuss this matter further.

Sincerely,

Michael A. Cox
Police Commissioner
