RE-SALE PROCESS FOR HOMEOWNERS

An owner's guide to re-selling property developed or built with funding from the City of Boston's Public Facilities Department or Department of Neighborhood Development

MAYOR MARTIN J. WALSH
CITY OF BOSTON

DEPARTMENT OF
NEIGHBORHOOD DEVELOPMENT

STEPS TO SELLING YOUR PROPERTY:

1. GIVE NOTICE OF YOUR INTENT TO SELL

If you wish to sell your home, first you must notify the Boston Home Center of the Department of Neighborhood Development. You may either use the form that is part of this brochure or write a letter to do this.

The letter should state:

- The legal name(s) of the owner(s)
- The current owner's home and work telephone numbers
- The current owner's intent to sell the property
- If you have a mortgage with the City of Boston

Whether you complete the form or send a letter, a copy of your recorded unit deed should be attached.

Send your Notice of Intent to Sell to:

City of Boston
 Department of Neighborhood Development
 26 Court Street, 9th Floor
 Boston, MA 02108
 Attention: Boston Home Center

For faster service, you may fax your letter to:
617-635-0258

2. OBTAIN A CERTIFICATE OF MAXIMUM RE-SALE PRICE

After you submit your Notice of Intent to Sell and a copy of the recorded unit deed, DND will issue you a Certificate of Maximum Resale Price (MRP). The MRP is calculated according to the provisions in your

Deed Rider or Covenant for Affordable Housing. The Certificate will be mailed to you and is good for six (6) months. Beyond that, you will need to request another MRP.

3. HAVE YOUR BUYER CERTIFIED AS A QUALIFIED LOW-TO-MODERATE INCOME BUYER

Your buyer must meet certain criteria before you can sell them the property. They must:

- Have income at the appropriate level in accordance with your Covenant for Affordable Housing or Deed Rider
- Be first time homebuyers
- Meet the asset limit test
- Obtain a mortgage that meets required standards

You do not qualify a buyer yourself. DND will make the determination if the buyer is qualified and will certify the buyer. If you have questions about this process, or you have difficulty finding a buyer call 617-635-4663 and ask for the Boston Home Center.

Information on the current Asset Limit is available at:

www.bostonhomecenter.com

or by calling the Boston Home Center

4. EXECUTE YOUR PURCHASE AND SALE AGREEMENT

Once you have found a qualified buyer for your property and that buyer has been certified by DND, you will receive a Prospective Buyer Certification from the Boston Home Center. You can then execute a Purchase and Sale Agreement with the certified buyer at or below the DND determined Maximum Resale Price.

All closing documents must be transmitted to DND prior to the closing. The DND review will insure that all conditions in your Deed Rider or Covenant for Affordable Housing have been met.

5. OBTAIN A CERTIFICATE OF COMPLIANCE

After DND approves the executed Purchase and Sale Agreement, the Buyer's Commitment Letter and Good Faith Estimate, the City closing documents including:

- Discharge of the City of Boston mortgage, if required
- Certificate of Compliance
- New note and mortgage to the City will be prepared and transmitted to the closing attorney for the lender.

The Certificate of Compliance will indicate that the transfer of the unit from the current owner to the new owner meets the terms of the Deed Rider or Covenant for Affordable Housing. A copy of the Certificate will be provided to you or to your attorney. This Certificate will expire six (6) months after it's issued.

6. FINISH YOUR CLOSING

Remember that you or your attorney may arrange for the closing only after you have received a Certificate of Compliance from DND. If additional documents are required, you or your attorney should notify DND as early as possible.

The City of Boston is required to enforce certain legal restrictions on properties that were developed or built with financial assistance from the Department of Neighborhood Development (DND). These restrictions concern the occupancy and resale of the property and are designed to allow the City to maintain the condition of affordability.

If you own such property, you are probably aware that you are required to maintain it as your principle residence for as long as you own it. Should a rental unit be included, there are specific restrictions as to the tenant income and the amount of rent that can be charged.

If you wish to sell your property you are required to obtain a Maximum Resale Price (MRP) determined by DND. Additionally, your buyer must meet certain requirements. After you sell your property, the affordability restrictions you adhered to remain with the property and are transferred to the new property owner.

This brochure contains the steps to follow in selling your property.
