Subject: 699 Mass Ave SELDC application
Application number 22.0186SE

Dear Ms Puglielli-Amore:

I am writing to you in regard to the above referenced matter on behalf of Community Resources for Justice, Inc. (CRJ) We are the property owners of 699 Massachusetts Avenue and operate a program for women contracted by the Massachusetts Parole Board at this location.

As a requirement of the contract, we are obligated to provide handicapped facilities to potential clients. We have such facilities, including bathrooms, on the first floor, which is above grade. In order for these clients to access this floor a mechanical lift is required to move them to this floor.

CRJ has retained The Burke Group, and George Burke President, to install a lift and everything else required of installation, including obtaining permits, permission and approvals, as required.

Please accept this letter of authorization of The Burke Group so as to be scheduled for a hearing on this matter in April of 2022.

Thank you for your assistance in this regard and should you have any questions please feel free to contact me.

A handwritten signature in blue ink that reads "John Rogers". The signature is stylized and cursive.

McGrath House

699 Massachusetts Avenue, Boston, MA

About the program: McGrath House is a 33-bed Community-based Residential Reentry Program for women. Residents are referred from county sheriffs' departments, the Massachusetts Department of Correction, the Massachusetts Parole Board, or the Massachusetts Probation Service. Residents receive gender-specific evidence-based case management and in-house clinical services that emphasize successful reentry. We work with a diverse population with regard to age, type of offense, and length of incarceration.
