

BOYLSTON STREET CURB REGULATION PLAN

May 2024

OUR APPROACH TO CURB REGULATIONS

We will introduce new curb regulations on Boylston Street. This is part of the [Boylston Street Better Bike and Bus Lane](#) project.

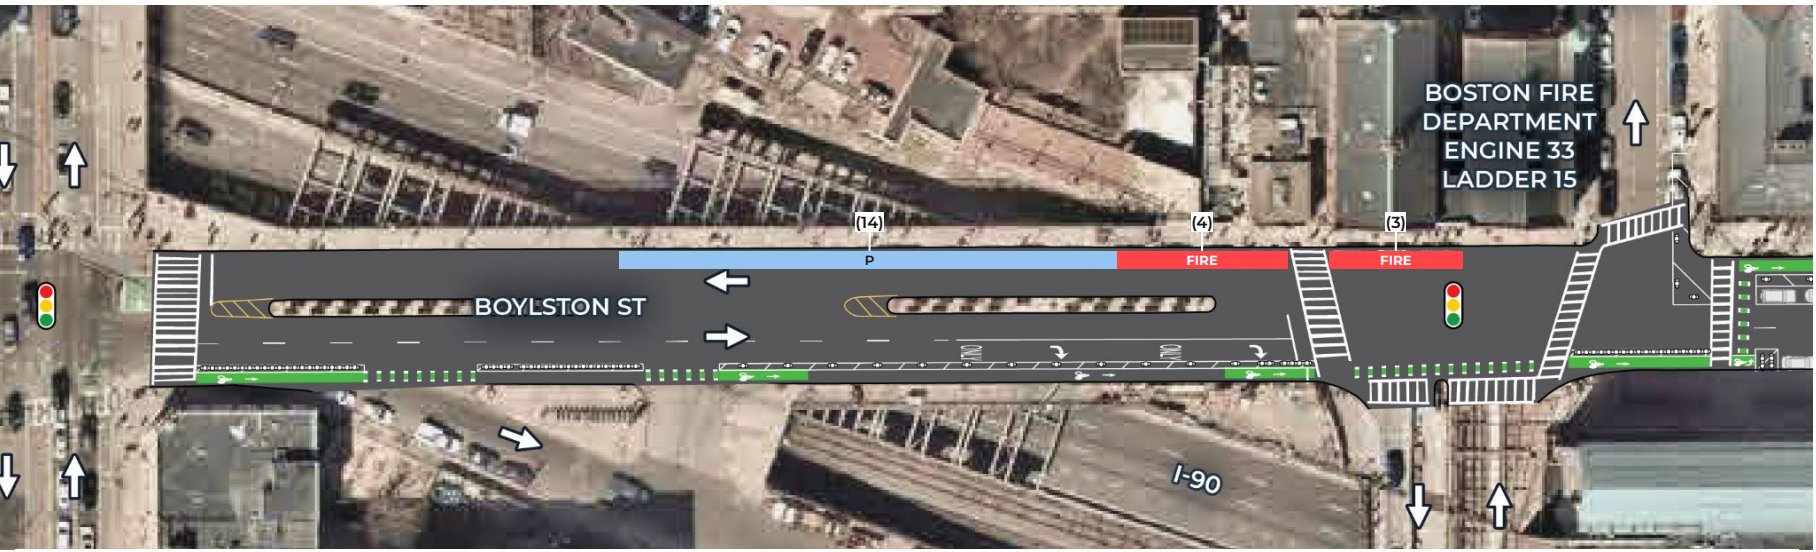

Our goals are to:

- ▶ Better serve businesses
- ▶ Reduce double parking
- ▶ Manage high-volume pickup/drop-off activity.

We created this plan based in part on your feedback. We spoke with businesses along Boylston Street in the summer of 2023.

This document shows our new curb regulation plan. Details are subject to change. Always follow posted signs.
