### General Rules

#### *Meeting Time*

Rule 1. Unless otherwise ordered from time to time, and except on holidays, the regular meeting of the city council shall be on Wednesdays at twelve o'clock noon in the Christopher A. Iannella council chamber, One City Hall Square, 5th Floor, Boston, unless otherwise determined by the council president. Special meetings may be called at the council president's discretion, upon a forty-eight (48) hour notice from the time the notices are posted by the Clerk, or relayed to each councilor's office in compliance with the open meeting law. Special meetings of the council may be called by the council president upon less than forty-eight (48) hours notice in the case of an emergency, in compliance with the open meeting law, and with the consent of two-thirds (2/3) of all members. A roll call vote will be taken at the beginning of a meeting called on less than forty-eight (48) hours notice to re-affirm that two-thirds (2/3) agreement to hold the special meeting.

#### *Quorum*

Rule 2. A quorum of the council shall consist of seven (7) members and any member may call for a roll call on the question of the presence of a quorum. If at any time, any meeting is called to order, or if during a meeting, a roll call shows less than a quorum, the presiding officer shall call a recess of not more than ten (10) minutes, after which time, if a quorum is not present, the meeting may be adjourned by the presiding officer.

#### *Presiding Officer*

Rule 3. The council president shall serve as presiding officer and shall assume the chair at the hour set by the previous adjournment, call the members to order after a roll call showing a quorum present, and proceed with the regular order of business. The council president shall select a president pro tempore to act in his or her absence and serve as vice chair of the committee of the whole. In the event of the absence of both the council president and the president pro tempore, the senior member by age shall preside. The term of the City Council President shall be two (2) years, co-terminus with the term of the City Council, except that by a vote of two-thirds of all the members of the council, the Council may declare the role vacant and conduct a new election for Council President. A member, after serving a term as President, may again serve as President after two (2) years have passed.

### ***Appealing a Decision of the Chair***

Rule 4. The presiding officer may speak to points of order in preference to other members, and shall decide all questions of order, and assignment of matters to committee, subject to an appeal from the decision of the chair, but no appeal shall be considered unless properly seconded. No other business except a motion to adjourn or to lie on the table shall be in order until the question on appeal has been decided. The question shall be put as follows:

*"Shall the decision of the chair stand as the judgment of the council?"*

The vote shall be by a roll call vote, and it shall be decided in the affirmative unless a two-thirds (2/3) majority of all the members of the council is to the contrary.

### ***Matters Properly Before Council***

Rule 5. Any motion, order, or resolution which has been previously debated and acted upon in the current municipal year, or which conflicts with the city charter, federal, or state constitution or with rules prescribed by existing city ordinance, federal law, or state law, or which in the opinion of the presiding officer does not have a direct bearing on the business of the council may be referred to the committee of the whole, and shall not be further considered by the council except upon report by that committee or decision of the chair. The decision of the chair may be appealed, but no appeal shall be considered unless properly seconded. No other business except a motion to adjourn or to lie on the table shall be in order until the question on appeal has been decided. Prior to the vote, the proponent of the motion, order or resolution shall have three (3) minutes to explain the issue and the need for the City Council to take action on the matter. Afterward, a recess of no more than two (2) minutes shall be called so that those members who share the opposite view, should they choose to, shall have the opportunity to select one of its members to speak for no more than two (2) minutes on the opposing view. No motion or proposition of a subject different from the one under consideration shall be admitted under the color of an amendment. After the debate, a vote on the matter shall be taken. The question shall be put as follows:

*"Shall the decision of the chair stand as the judgment of the council?"*

The vote shall be by a roll call, and it shall be decided in the affirmative unless a two-thirds (2/3) majority of all the members of the council is to the contrary.

The committee of the whole may report that any motion, order, or resolution, so referred to it, is out of order for the reasons contained in Rule 5, and its report shall be a final disposition of the matter, subject to an appeal.

### ***Recess***

Rule 6. The presiding officer may at any time, during debate or otherwise, declare a recess for not more than twenty (20) minutes, unless the presiding officer declares that the council will return to public session at a time certain. Such action shall not be subject to appeal, nor shall any motions apply thereto.

### ***Propounding Motions***

Rule 7. The presiding officer shall propound all motions in the order in which they are moved unless the subsequent motion shall be previous in its nature, provided that in naming sums and fixing time, the largest sum and longest term shall be put first.

### ***Deciding Questions***

Rule 8. Subject to the provisions of these rules, the presiding officer, without debate, shall decide all questions relating to priority of business.

### ***Dividing a Question***

Rule 9. The presiding officer, at the request of any member, shall make a division of a question when the sense will admit of it.

### ***Doubting the Vote***

Rule 10. The presiding officer shall declare all votes. If any member doubts a vote, the presiding officer shall cause the vote to be taken by a roll call.

### ***Vacating the Chair***

Rule 11. When the presiding officer wants to vacate the chair, he or she shall call on the president pro tempore to take the chair. In the absence of the president pro tempore, any member can be asked to assume the chair. The presiding officer may resume the chair at will.

### ***Agenda***

Rule 12. Any message, ordinance, resolution, vote, petition, order, amendment, authorization, agreement, budgetary action, motion or other measure submitted for consideration by the council shall be filed with the clerk electronically with one (1) hard copy delivered to the clerk's office by ten o'clock AM two (2) days preceding the council meeting. Committee Chairs shall be required to submit Committee Reports to Central Staff by four o'clock PM the Friday preceding a regular council meeting if the report is to appear on the Committee Reports section of the next agenda. The clerk shall publish the agenda online no later than forty-eight (48) hours prior to the council meeting. With the exception of consent agenda items, all new councilor-sponsored filings shall be submitted by no more than two councilors. Other councilors may sign on to the legislation during the scheduled council meeting. Such submission is a prerequisite to any item's consideration at such meeting.

### ***Duties of the Clerk***

Rule 13. It shall be the duty of the clerk, acting as clerk and parliamentarian of the council, to prepare and cause to be printed for each meeting a listing of all matters submitted for consideration to the council, including the minutes of the previous meeting, in accordance with Rule 12; such listing shall be known as the agenda, and it shall be divided into two sections, the latter of which shall be known as the consent agenda.

The agenda shall include a section on “Matters Recently Heard – For Possible Action”, which shall be a list of all actionable matters scheduled for public hearing between 9:00AM Monday and the beginning of the meeting that could reasonably be called for action at the meeting that week. Items not acted upon at that week’s meeting will not be included in the minutes of the meeting and remain in committee for action at a later time through the regular committee report process. Committee chairs wanting to take action on matters included in this portion of the agenda shall call for the item during that portion of the meeting and ask for action and present a committee chair report recommending action at the meeting. The committee report will be entered into the record of the meeting. The agenda shall include a list of all pending council matters, such listing being also known as the “green sheets.” The green sheets shall include a list of all thirty (30) and sixty (60) day orders, matters assigned for further action, matters on the table, unanswered 17F orders, home rule petitions not responded to by the mayor, and a listing of all matters currently assigned to committees.

It shall be the duty of the clerk to post the agenda and the full documents corresponding to the specific docket numbers listed on the agenda on the city’s web page no later than two business days (forty-eight (48) hours) preceding the scheduled meeting. If the Clerk’s Office decides to post only a portion of an agenda item due to length, they must make a note on the attachment that the attachment is incomplete, and direct viewers to contact their office for the full document. Revised or amended dockets and late file matters shall be posted with the meeting minutes within forty-eight (48) hours of the conclusion of the meeting.

Rule 14. The clerk, with the assistance of corporation counsel if necessary, may make changes to correct the form of legislation once passed, but prior to its presentation to the mayor, provided however that its substance is not affected.

### ***Items of the Same Matter***

Rule 15. In the event that an ordinance, order, resolution, petition, amendment, authorization, agreement or motion concerning the same or similar subjects are filed with the clerk for consideration by the council, the clerk, in consultation with the council president, shall cause to have entered on the agenda only that resolution or order which was first filed. The name of the sponsor(s) to the similar resolution or order may be added as a sponsoring member to the resolution or order which is placed on the agenda if

### ***Removal from the Consent Agenda***

Rule 16. Resolutions of condolences and congratulations filed in accordance with Rule 37 shall be listed upon the consent agenda. Any member of the council may object to the clerk upon such a filing. The matter being objected to shall be removed from the consent agenda and placed on the agenda of the regular council business. No such resolution shall bear the name of any councilor not indicating consent to sponsorship.

Any order rescinding an order for any of the foregoing purposes shall require the same number of readings and votes as was required for the passage of the original order. All matters failing to receive a two-thirds (2/3) affirmative

No meeting, policy briefing, working session, or hearing of any committee, except the committee on ways and means, in accordance with the limitations of the state's open meeting law, shall be called upon less than forty-eight (48) hours notice (exclusive of legal holidays, Saturdays, and Sundays), unless otherwise allowed by the president in accord with the limitations of the state's open meeting law, from the time the council staff shall have electronically transmitted the notices and invitation letters or dispatched them by special messenger; provided that meetings of the committee of the whole may be held for a specific purpose(s) at the call of the president, at the completion of council business and prior to final adjournment of any meeting of the council without such notice. Only that specific item(s) for which a committee of the whole meeting, working session, or hearing has been called shall be in order at such meeting, working session, or hearing.

Only a committee chair may schedule a meeting, policy briefing, working session, or hearing or reserve time on the council's calendar for a meeting, policy briefing, working session, or hearing to be scheduled. Notice of all scheduled meetings, policy briefings, hearings, working sessions shall be posted by the clerk indicating the date, time and place in accordance with the requirements of the open meeting law. In the event a hearing is expected to last three or more hours, the chair shall allow members of the public, in the order in which they sign up, to offer testimony at the beginning, middle and end of the hearing. It shall be at the discretion of the chair to determine the appropriate time and how many individuals shall testify at the beginning and during the hearing with the remaining individuals being

allowed to testify at the end of the hearing.

No committee, unless authorized by an order of the council, shall incur any expense, including, but not limited to, advertising and stenographic costs. Committee chairs requesting interpreter services will work with the staff director, recognizing there are budgetary limitations, to arrange for such services at the time the meeting, policy briefing, working session, or hearing is scheduled. No committee meeting, policy briefing, working session, or hearing, except the committee of the whole, the committee on rules and administration, and the committee on ways and means, shall be conducted on the day of any regular meeting of the council. ### ***Committee Action***

Rule 35. Each item listed on the weekly agenda that is to be reported out of committee must be accompanied by a report. The committee chair shall draft the report with the assistance of central staff committee liaisons. Minutes shall include the following information: name of the committee, title of the event (meeting, working session, hearing, policy briefing), date, time of the call of the event, start time, end time, location, subject, committee/council members present, a summary of the discussion held, any decisions made, next steps to be taken, or votes taken, a list of all correspondence, documents, or exhibits presented at the event, and items requested by councilors. The minutes are to be prepared by the committee liaison and presented to the chair for review and signature and filed within a reasonable timeframe of the conclusion of the hearing, meeting, policy briefing, or working session, but in no case later than the committee's next hearing, meeting, policy briefing, or working session on the relevant topic, except if a more suitable timeframe is determined by the council president or central staff director. Reports of the committee chair or the committee must contain the following information: docket number, title, date referred, sponsor, date(s) of hearing, meeting, policy briefing, or working session (where applicable), a discussion of the provisions of the legislation, summary of information received at the hearing, meeting, policy briefing, or working session, and in the case of amended or substituted language, a discussion of the changes and the impacts on the original legislation, and the rationale for the recommended action.

The committee chair may issue an interim report to provide to the council information received regarding the topic or the status of a docket. This interim committee report does not recommend a final disposition of the docket, and will not dispose of the docket. The interim report will be filed in the same manner as all other documents. It will be filed as part of the Reports of Committee portion of the

agenda, and will be placed on file. The docket remains in the assigned committee until final disposition.

### ***Committee Hearings, Meetings, Policy Briefings, and Working Sessions***

Rule 35A. Committee hearings refer to formal sessions of a committee at which representatives from the Administration, experts, or others from the public are invited to discuss and answer questions regarding a particular docket or subject matter as articulated in the hearing order assigned to that committee. A public comment period is required and subject to Rule 34.

Committee chairs or a quorum of committee members may schedule a meeting for the purpose of discussing ideas related to committee work, particular dockets, or other topics within the subject matter of that committee. For committee meetings, public testimony is at the discretion of the Chair of the committee.

Committee policy briefings refer to less formal sessions in which a chair of a committee invites representatives from the Administration, experts and others from the public to participate in an open discussion about a particular policy issue. While there is no formal public comment period, members of the public are encouraged to attend policy briefings, and participate in the discussion.

Committee chairs may schedule working sessions for the purpose of revising legislation in committee, reviewing a proposed committee report, or to discuss with the committee the content of a piece of legislation. The committee chair may schedule a working session under the requirements of the open meeting law and process established in Rule 34. The purpose of the working session will be to discuss and deliberate on proposed changes to the legislation before the committee. The changes outlined at that working session would then be incorporated into the legislation, and included in the committee report regarding the legislation. More than one working session may be held on the same legislation and working sessions may be scheduled to review more than one piece of legislation at the same time. Subject to the will of the chair, working sessions may be scheduled to occur at times separate from the hearings, or directly afterward. While members of the public may attend working sessions, there will be no public comment period. Public participation and draft materials at working sessions shall be limited to councilors and chair invitees.
