

Textiles Untangled

Textiles are everywhere! They're In our clothing, furniture, toys and even computers! But what exactly are textiles made from? How far do clothes travel before we buy them?

Join Grove Hall Branch Library and Boston's Zero Waste Team as we guide participants through an interactive workshop to discover the lifecycle of a piece of clothing.

This is an in-person event. **Registration is required.** To register, please visit bit.ly/textilesuntangled
