SIDE GUARD WAIVER REQUEST FORM

Contractor Name: _____

Subcontractor: (if applicable) _____

Address: _____

City: _____

State: _____

Zip Code: _____

Total number of vehicles requesting to be exempt: _____

Please provide a detail description and reason for the waiver request.:

If more space is needed, please continue on the back of the form

Safeguarding unprotected road users is seriously important. Waiver requests will only be granted if the outlined "extenuating circumstances" are deemed to be beyond the scope of compliance due to vehicle type or short-term delay of installation. All granted waivers are temporary and shall not be considered a permanent exemption for a vendor.
