

NEW EDGERLY PLAZA

LAUNCH PARTY!

FRIDAY NOV 1, 4-6PM!

The Boston Transportation Department has installed a new pedestrian plaza on the road in front of Whole Foods.

The plaza will serve people of all ages, providing an opportunity to relax, dine outdoors and have fun.

WHY THE PLAZA?

The idea came from the community several years ago. After numerous successful one-day pilots for Porchfest and performing traffic counts that showed many more pedestrians than cars in this area, the City transformed this space into a vibrant pedestrian-focused public plaza.

WHERE TO LEARN MORE

Visit the Plaza website for more Information, future events, and to let us know what you think!
