#### Background

The Boston Public Health Commission (BPHC) is the local public health department for the city of Boston. BPHC's mission is to protect, preserve, and promote the health and well-being of all Boston residents, particularly the most vulnerable populations. Boston Emergency Medical Services (Boston EMS), a Bureau of the Boston Public Health Commission, is the City's municipal 911 pre-hospital provider. Boston EMS has 440 full time uniformed employees and hires new emergency medical technicians twice annually in cohorts of approximately 25 per class to fill vacancies. Members of Boston EMS respond to approximately 135,000 clinical incidents annually. Each member of Boston EMS is required to wear a department uniform, which is purchased through a contracted vendor. Employees have a contractually agreed to credit of \$750 per fiscal year (July 1<sup>st</sup> through June 30<sup>th</sup>) to spend on uniform items from said vendor. A subset of the 32 non-uniformed members of Boston EMS have uniform allotments of between \$500 and \$600, with variations in approved items.

BPHC is currently requesting a quote from qualified individuals or firms ("respondents") for employee uniform clothing and associated equipment, at a location easily accessible to department members working across the neighborhoods of Boston.

All service contracts awarded by the Boston Public Health Commission may be subject to following the City of Boston's living wage ordinance. This ordinance requires that all employees working on sizable city contracts earn an hourly wage that is enough for a family of four to live at or above the federal poverty level. This wage amount called the living wage, is recalculated every year. For more information, please visit https://www.boston.gov/worker-empowerment/living-wage-division.

As part of BPHC's efforts to have an equitable procurement process, BPHC will consider and encourage Certified Unrepresentative Businesses Enterprises(CUBE) that includes; Minority-owned Business Enterprises (MBE), Women-owned Business Enterprises (WBE), Veteran-owned Business Enterprises (VBE),Disability-owned Business Enterprise (DOBE), Lesbian Gay Bisexual Transgender Business Enterprises (LGBTBE), Minority Non-Profit(MNPO), Women Non-Profit (WNPO), Minority Women Non-Profit (MWNPO) and local businesses to apply to this RFQ.

#### Scope of Work

Responses submitted should address the respondent's ability to provide all the following uniform items, as well as the ability to change/add items as needed. Brands of current items have been included; Boston EMS is looking for comparable products, either the same brand OR EQUIVALENT. Vendors proposing equivalent options should be prepared to provide samples if requested.
