

HARAMBEE PARK PHASE 4 – CONSTRUCTION UPDATE

11/13/2024

Thank you for your interest in the Improvements to Harambee Park Phase 4 project.

A view of the new competition cricket field

GENERAL UPDATES:

- Phase 4 includes two new cricket fields – one is a competition field with field lighting and an electric scoreboard, the other is a practice field.
- Construction is substantially complete. The fields will require additional time for the establishment of the turf and will remain closed until spring 2025.

CONSTRUCTION UPDATES:

- The turf sod is taking hold on the two fields. Areas outside of the field have been seeded with grass. Areas where the grass seed hasn't germinated properly will be overseeded this fall.
- The field lights and the pathway lights are now functioning.

OTHER ITEMS:

Please use [311](https://www.boston.gov/contact/311) to document non-emergency issues relating to park use, and 911 for emergency situations relating to public safety.
