**III. ADMINISTRATIVE REVIEW/APPROVAL:** *In order to expedite the review process, the commission has delegated the approval of certain work items, such as those involving ordinary maintenance and repair, restoration or replacement, or which otherwise have a minimal impact on a building's appearance, to commission staff pending ratification at its monthly public hearing. **Having been identified as meeting these eligibility criteria and all applicable guidelines, the following applications will be approved at this hearing:***

► Applicants whose projects are listed under this heading **NEED NOT APPEAR** at the hearing. Following the hearing, you will be issued a Determination Sheet to present at the Inspectional Services Department (1010 Massachusetts Avenue) as proof of project approval when applying for permits. ISD personnel will send an electronic copy of your building-permit application to the commission staff for review. (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.

► **PLEASE NOTE THAT FOLLOWING ISSUANCE OF THE DETERMINATION SHEET NO FURTHER CORRESPONDENCE WILL BE ISSUED FOR THE APPLICATIONS LISTED BELOW.** The electronic building-permit application as annotated by commission staff will constitute your Certificate of Appropriateness; this will be valid for two years from the date of the approval letter. The applicant is required to notify the commission of any project changes; failure to do so may affect the status of the approval.

► If you have any questions not addressed by the above information, please contact staff at 617.635.1935 or [BeaconHillAC@boston.gov](mailto:BeaconHillAC@boston.gov) Thank you.

**APP # 25.0516 BH 86 BEACON STREET:** Remove an existing skylight over an elevator shaft in order to replace the elevator hydraulic piston assembly and replace the skylight with a new copper and glass unit to match existing.

**APP # 25.0495 BH 90 BEACON STREET:** Replace five total sash sets and one double door set, all of which are not historic. Fourth floor: one door set, two “bowed” sash sets. Third floor: one sash set and two “bowed” sash sets. Fabricate new bowed sash sets in four openings keeping the original jambs, wood sills and brick moldings. The new sash sets will be mahogany, mortise & tenon, true divided light, glazed at the exterior, use clear glass, double hung and be painted semi-gloss black at the exterior. The new door set will swing out as currently exists, mahogany, true divided lights, use oil rubbed bronze or black in color hinges as the knuckles are visible from the exterior. New cremone bolts & hardware will be installed at the interior. None of the new windows will have low-e glass.

**APP # 25.0524 BH 29 BRANCH STREET:** Replace two non-historic casement sets at the side elevation of the Carriage House on Branch Street. One casement is a 6 by 6 “swing out”. One is a 8 by 8 “swing out”. The replacement casements will be 6 by 6 and 8 by 8 “swing out”. Mahogany, mortise & tenon, true divided lite & be painted semi-gloss black at the exterior. New casements will be using clear, non-low e glass.

**APP # 25.0506 BH 107 CHESTNUT STREET:** Restore a 4 lite cast iron window at the rear elevation. Remove all broken glass & replace this broken glass with 1/4” clear glass. Reglaze all glass openings & paint in the existing color: Essex Green. Front elevation three leaded glass window openings: HWD will fabricate & install three mahogany one lite wood storm windows at the exterior. The existing leaded glass panels are “swing in” casements. The new mahogany wood storms will have a thin style on all four sides as not to obscure any leaded glass. Painted Essex Green in kind. Front elevation small one lite casements: Remove existing broken cast iron hinges & replace with solid brass in black finish: 3 1/2” x 3 1/2” square mortise hinges. Replace 1-2 rotted bottom sash rails with new mahogany & painted in kind: Essex Green.
