Included in the Addendum 2 Documents:

CLARIFICATIONS TO THE RFQ DOCUMENTS

Question 1: Specifically we noticed on page 9, Section VI: Review Criteria of the RFQ it states that we will be evaluated for "Documented performance on previous projects as set forth in Attachments A and E" and we are looking for Attachments A and E to complete to satisfy this requirement.

We could not locate those on the Google Drive or in the RFQ or Addendum. Is there another place we should be looking to source those?

Answer: You have identified an error in the RFQ. There is no Attachment A and E. Please refer to page 11 and 12 of the RFQ for further information. We are seeking a qualification response that addresses previous project performance details including the number of projects managed, project dollar value, number and percentage completed on time, number and dollar value of change orders, average number of projects per project manager per year, and number and outcome of any legal actions. Additional data as noted on items 1b – 10 on pages 9 and 10 of the RFQ that will be used for Review Criteria.
